On October 13, 2016, Ms. Young submitted a urine specimen which tested presumptively positive for amphetamines and was confirmed diluted by Alere Laboratories. When confronted with the results, Ms. Young reported she was using diet pills at the time.

On November 14, 2016, Federal Public Defender Kim Driggers contacted Ms. Young telephonically to review the waiver of hearing to modify conditions of probation with her. On November 16, 2016, Ms. Young signed a Prob 49, Waiver of Hearing to Modify Conditions of Supervised Release, agreeing to the modification.

#### Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

**The defendant will participate under the guidance and supervision of the probation office in a substance abuse treatment program which may include drug and alcohol testing, outpatient counseling, and residential treatment.**
